

Indication change(1)(On the cell)

- Contents** From Apr.1st in 2023 Sanyo name is eliminated from Panasonic energy group, therefore, cell surface UL indication "SANYO" will be changed to "MH12383" which is UL file number. Additionally, due to China GB regulation requirement from 1st of January in 2024, (a) model name, (b)rated capacity, (c) (+) and (-) pole, (d)factory ID and (e)products date or lot number must be indicated on the cell.
- Spec.** This change target is too many, therefore, later if there is some other changes, then delivery specification will be changed.
- Schedule** This change is started from a model which ready accordingly, and this change will be completed by 31st of Mar. in 2023, and then from 1st of Apr. in 2023 the production of "SANYO" indicated model will be finished except several models. However, regarding the stock, there is possibility to ship "Sanyo" indication model shipping out. [Please refer to appendix for GB change](#)
